

## CCA EXECUTIVE COMMITTEE

We welcome Jack Tanner, minister of the Newtown Christian Church, Newtown, CT., as the new President of the Executive Committee of Catskill Christian Assembly. Jack and his wife, Penny have been actively involved in CCA since their arrival at Newtown about eight years ago. Jack has served on the Executive Committee for the past six years. CCA expresses its genuine appreciation to Tom Hart of Parsippany, New Jersey for his six years of leadership as Executive Committee President during our period of transition into the full-time program, house construction, and land purchase. It is most fitting that the last \$1,000 of house indebtedness was cancelled during 1987. Our present Camp Executive Committee is:

President - Jack Tanner, Newtown, CT  
Vice-President - Darrel Brandon, East Northport, NY  
Secretary - Eleanor Sapp, West Islip, NY  
Treasurer - Trudy Falke, Prattsville, NY  
Dean - Bill Sayre, West Islip, NY

Member-at-large: Mike Cripps, Maspeth, NY  
Member-at-large: Sol Fishler, Port Jefferson, NY  
Member-at-large: John Vion, Nesconset, NY  
Member-at-large: Brian Bertothy, Hicksville, NY

Please note that the new Treasurer of the Camp is Trudy Falke. All gifts to the camp should now be sent directly to the camp address.

### WITH THE MILLERS...

Mindy is spending her Senior of high school as a Rotary exchange student in Guaymas, Mexico. Kara joined her there for three weeks over Christmas vacation. Shelva continues her studies at Columbia-Greene Community College. During a snow storm on November 11, Dave totalled the Nissan that has served as his transportation the past four years. He and Kara were on their way to a dentist's appointment when they skidded on the icy roadway and slammed into the guard rails. Thankfully, both were wearing seat belts and neither were injured.

As this is being written the first week of January, 1988, our short vacation is over. Next week-end, Winter Camping activities will begin.

PROJECT: CCA INTERSTATE

"When is something going to be done about the Camp driveway?" That question has been asked thousands of times during the past twenty-six years. While the driveway has been graded a number of times, the very nature of the pitch and grade creates a situation that washes every time we have heavy rains--and the past couple of years, the rains have been extremely heavy on several occasions.

Well! Something is going to be done! The Camp Trustees have determined to rebuild the driveway; base material will be added, the drive will be properly crowned for runoff, additional culverts and runoff ditches will be added, and a stone and oil topping will finish it all off.

Needless to say, this is a major project. The date for work is June 11-18. Workers are needed for the week. Our Camp Building Director, John Vion, will be present for the week. Plan to arrive Saturday afternoon at the close of Women's Retreat and work through the week. Extra workers could be used for Sunday through Tuesday. We will also need four women to work in the kitchen and two boys to work as G-men for the week.

The estimated cost for the project is \$8,000.00. This includes all materials and the rental of the grader, roller, and truck we will need for the project. Where are the funds for this project? The Trustees determined in November, 1987 that the driveway improvement is imperative. If sufficient funds are not available as of June 1, what is lacking will be borrowed. We all realize the magnitude of this project. Rentals have to be arranged now! Material deliveries must be scheduled by March 1! We need a list of available works as soon as possible!

Please let John Vion or Dave know of your plans to participate in Project: CCA Interstate ASAP!

## CATSKILL CHRISTIAN ASSEMBLY, INC.
